

Construction Update: Building 3 Nightworks

We would like to notify you of the installation of stage 2 hoarding works for Building 3. These works will commence on Wednesday 25th October. The hoarding is to be installed on the Eastern footpath of Davy Road, between Central Avenue and Henderson Road and on the Southern footpath of Central Ave between Davy Rd and the BioMedical Building.

To ensure that the current footpaths are kept open during business hours, the installation will be take place overnight. The City of Sydney has granted approval for these works to be undertaken out of hours.

We will endeavour to complete the noisy works between 7pm and midnight and anticipate that the installation will require approximately two nights to complete, between the 25th and 26th of October.

We apologise for any disruption caused during these works. If you have any questions or if you require more information, please contact atp.communicationsf@mirvac.com or call 1800 870 549.

Kind regards,
