

Construction Update – 30th January 2018

This notification is regarding the traffic flow changes, due to the next Tower Crane Installation this week.

The crane will be installed from Thursday 1st February and Friday 2nd February. The works will involve the setting up of a mobile crane on Davy Road. (see below map). The components for the crane will be delivered on trucks that will enter the precinct via Garden Street into Central Avenue and exit via Davy Road.

There will be exclusion zones and traffic changes in place on Davy Road during lifting operations. Public pedestrian access will be maintained on Central Ave and Davy Road.

What to Expect

There will be changes to traffic flow for this period. Vehicles will be able to access the precinct via Davy Road as per normal, however to exit, all vehicles will must exit via Central Avenue to Garden Street. Traffic control will be in place at all times and access to existing carparks and loading docks will also be maintained.

The works are scheduled to be completed on Thursday and Friday, however progress could potentially be delayed due to unforeseen circumstances such as inclement weather.

If you have any questions or concerns, or if you require more information, please contact me at atp.communications@mirvac.com or call 1800 870 549.

Kind regards, Kim
