

CONSTRUCTION UPDATE – 3 SEPTEMBER 2018

This notification is regarding scheduled out of hours work. This work has been approved by council.

What to expect:

We are planning to load Ausgrid equipment into the Substation. The Substation faces onto Central Avenue; therefore, we need to carry out this work “out of hours” to minimise the impact to the through traffic for the precinct. The work involves a crane unloading equipment from 2 flatbed trucks.

There will be exclusion zones and additional traffic controllers in place on Central Avenue throughout these works. Access to loading docks and carparks will remain at all times.

Work duration:

The work is planned for this evening, Monday 3rd September and commence at 5.30pm and finish by 8.30pm.

If you have any questions or concerns, or if you require more information, please contact me at atp.communications@mirvac.com or call **1800 870 549**.

Kind regards, Kim
